Yasou Nick,

Nick, thanks to you and your staff for all you have done for this company. I do appreciate your efforts in the last couple of years and thank you for being patient with me, you guys are fantastic.

**Even if we had a massive bill to pay to the ATO, I would still be appreciative for everything you do for us. Your support means a lot.**

I will be sending a cheque for you next week sometime.

Once again THANK YOU ...

Kind Regards
